**DETAILED ACTION**

**REASONS FOR ALLOWANCE**

Claims 16-17, 19-26, 28-32 and 34-37 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art of record fails to disclose the combination of a semiconductor package recited in the base claims 16, 25 and 31, including the combination of the structure comprising: at least two sets of leads extending along respective ones of the sides of the chip paddle in spaced relation thereto, each set of leads including at least two outer leads and at least one inner lead disposed between the outer leads; an encapsulation material covering the leadframe and the semiconductor chip such that the portions of the bottom surfaces of the inner and outer leads of each set which are of the second length which is unequal to the first length, respectively, are completely exposed in the encapsulation material and arranged to intersect a single straight line extending between the outer leads (claims 16 and 31) and at least two sets of leads extending along respective ones of the sides of the chip paddle in spaced relation thereto, each set of leads including at least two outer leads and at least one inner lead disposed between the outer leads; and an encapsulation material defining a bottom surface which includes a peripheral edge, the encapsulation material covering the inner lead, the outer leads and the chip such that the portions of the bottom surfaces of the inner and outer leads of each set which are of the second length is unequal to the first length, respectively, are completely exposed in the encapsulation material and extend to the peripheral edge of the bottom surface (claim 25).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
